- All the above rolled over to 2021 with COVID-19 occurring.

### **COVID-19 Director Communication**

Communication with Directors carried out with emails and latterly Zoom during COVID-19 lockdown stages: shared training ideas for rehearsals, Directors' discussions re members, coping with COVID-19 etc.

### **Director Education Planning**

Worked with Directors Certification Programme (DCP) Coordinator as required: minimal input from me into outcomes as the incumbent, Angela Blank, is excellent at her job.

Developed and designed programme and trainers for 1 Day Challenge Workshops 2019, with Education Coordinator.

Continuously collecting information from Directors for future workshop possibilities.
