* In 1990 and 1992 the policy was to score the Worldwide Area generously - thought to be standard scoring plus 10pts/category (total 80 pts)
Accordingly, the 1990 and 1992 scores have NOT been included in the Max Score calculations, and scores adjusted down 80 pts to choose the cell colours.

LEVELS

Cell colours:
 Green = not yet chartered
 White = didn't compete
 yellow = disbanded, or incorporated into
 Dark Green = scores not comparable
